SEASONAL SAFETY TIPS

The holidays are filled with festive fun, but they can also pose a few hazards to our pets. Here are a few tips to keep your pets safe and sound:

1. **Holiday Decorations:** Tinsel, ornaments, and lights are beautiful but can be tempting for curious pets.. Make sure to keep these out of reach to avoid any accidental consumption.
2. **Seasonal Plants:** Poinsettias, mistletoe, and holly add to the holiday cheer, they can be toxic to pets. Opt for pet-safe plants or place them in areas your pets can't access.
3. **Chocolate & Sweets:** It's hard to resist a holiday treat, but please remember that chocolate, raisins, and even xylitol (found in sugar-free products) can be harmful and even toxic to pets. Keep treats out of their reach!
4. **Cold Weather Concerns:** For our outdoor adventurers, ensure they are protected from the cold by providing a warm, sheltered space. Watch out for ice and snow, as they can cause injuries to paws.

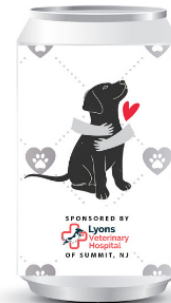

HOLIDAY GIFTING!
